List of Friendly Societies (Additional list No.2) compiled April 2001

1273 friendly societies were included in the first list and 2 in additional list no. 1 - giving a total of 1275. 5 of these were not included in the analyses on which the thesis was based as they were established after 1913. The societies in this additional list no. 2 have not been added to computer database but are included in the card index.
